Cosmic Bowling®

Cosmic Bowling is a dance party and bowling experience all rolled into one! With great music, mirror balls, lasers, fog machines, light shows, glow in the dark bowling balls and pins, Cosmic Bowling is the best way to enjoy bowling during your outing at a Brunswick Zone.

Cosmic Bowling is different than traditional bowling in that it:

- Puts more emphasis on having fun than getting a high score
- Appeals to all age groups
- The party atmosphere is great for company events, holiday parties, customer & employee appreciation, team building activities and much, much more

DJ and Karaoke

Add some fun and excitement to your next event with a DJ or Karaoke host. Our DJ makes sure the music and fun never stop. If group interaction is more your style, add karaoke to the event and make everyone a singing sensation.

State-of-the-art Game Room

When you are done on the lanes, your guests will want to check out our video games! Your group fun continues in our state-of-the-art game room where your guests can test their skills and win great prizes.

Many of our Brunswick Zone locations present personal game keys which can be used in any of the video games in our fun-filled game room. Your game key may be purchased in advance from our sales department or from one of our friendly staff members. The wonderful thing about the game key is that you decide the dollar value based on the activities planned for your guests.

Any staff member or video game can reveal the balance on your game key at any time. Game keys may be used for up to one year from their creation, and may be re-charged at any time so the fun will never end.

Billiards *(Available at select locations)*

For 160 years, Brunswick has been the most recognized name in billiards. Behind the Brunswick name is a total commitment to quality that stretches back to the first tables built by John Brunswick in 1845.

Billiards is a great game for participants of any age or skill level. Let us plan a relaxing event using one or several of our Brunswick Championship Billiards tables. Your group can eat, drink, talk, watch sports on TV, listen to music and more while playing a relaxing game of billiards.

Laser Tag *(Available at select locations)*

Laser beams slice through the air, fiery explosions blast from the laser's point of contact. Ever wish you could battle the forces of evil (or your co-workers) with phasers? Well, now you can! Using phasers, participants can battle friends or foes individually or as a team.

Laser tag is unlike any game you have ever played before. This game fights back, black light graphics explode from every corner, and background music thumps out a galactic heartbeat. Step into our laser tag arena and you become part of the action.

Gift Cards

Brunswick Bucks gift cards are also available to guests. Gift cards may be purchased in advance from our sales department and can be used throughout the entire facility as payment for recreation or food and beverage. Gift cards may be purchased in any denomination and are non-refundable.

Brunswick Team Challenge: The Ultimate Team Building Challenge

Brunswick Zone's ultimate team building experience, The Brunswick Team Challenge, can help improve your group's teamwork and morale by incorporating team leadership and group interaction in a high energy and fun atmosphere.

The Brunswick Team Challenge consists of a variety of recreational activities tailored to fit your group.

- Cosmic Bowling
- Billiards Tournament *(Available at select locations)*
- Video game obstacle course
- Laser tag *(Available at select locations)*

Your personal Brunswick official will guide you and your associates through your ultimate team building experience. We will divide you into teams; organize the flow of the challenge and award official prizes to the victors.

Minimum group size 16.
